## Screenshots

The main workspace interface shows a sidebar on the left with a tree view of four boards: Board 1 (selected), Board 2, Board 3, and Board 4. A 'Log Out' button is at the bottom of the sidebar. The main area has a blue header with the greeting 'Good Morning, JOHN NKP'. It includes a search bar, a calendar for December 2021, and sections for 'Announcements' and 'Projects'.

JOHN NKP MAIN WORKSPACE

Rest Mode > 24 : 59

This screenshot shows the main workspace of the TaskSprinter application. On the left, there's a sidebar with icons for boards, notes, and other features, and a 'Log Out' button. The main area is titled 'JOHN NKP MAIN WORKSPACE'. It features two large yellow sections labeled 'Stand Up' and 'Stand Down' with placeholder text 'Card content'. Below these are three cards with tasks: 'Implement unit testing for react frontend', 'Create readme file', and 'Create a zip file', each with a status bar showing 'Subitems ... 0:00' and a red 'X' button.

Log Out

This screenshot shows the notes section of the TaskSprinter application. The sidebar includes a 'Notes' icon and a 'Log Out' button. The main area displays a list of notes: 'My First Note for user New' (status: 'This note will be added to the database'), 'Adding a new note' (status: 'This note will be added to the database'), 'General House cleaning' (status: 'Tidy up living room + laundry'), 'Shopping items' (status: '1. Detergent 2. Shampoo 3. Bread 4. Butter'), and a new note in progress with a placeholder 'Add a title' and 'Type to add a note...' field, along with a blue 'Add Note' button.

### **Future Improvements**

- Finalise stand up/stand down feature
- Improve layout and responsiveness
- Finalise individual sprints feature
